MEMORANDUM FOR: IG/CM(P) Members

FROM: [redacted] STAT
Chairman, Personnel Security Committee

SUBJECT: Security Educators' Seminar

1. The Personnel Security Committee (PSC) of the IG/CM(P) is this year sponsoring the Security Educators' Seminar formerly sponsored by SECOM. Jim Passarelli, Chairman of the Security Awareness and Education Subcommittee, is handling the considerable organizing chores. The seminar will be held from 19-24 October 1986 at the FBI Academy, Quantico, Virginia.

2. The seminar is for those in government with responsibilities for planning or presenting security awareness briefings or educational programs. Attendees will be exposed to topics of current concern, such as the hostile intelligence threat and terrorism, will be afforded instruction in communications and briefing skills, and will obtain some of the basics necessary to establish and maintain a strong, continuing security education and awareness program. The program should be beneficial to both experienced security educators and those relatively new to the field.

3. We hope to be able to accommodate three persons from each interested department or agency; more than three may be nominated as extra slots may become available. Each nominee must be cleared for access to SECRET information. Please submit nominees' names, telephone numbers and mailing addresses by 5 September to:

Headquarters, Department of the Army
Attn: DAMI-CIS (Mr. J. Passarelli)
Washington, D.C. 20310-1051

or Telephone: 202 695-8918

4. Mr. Passarelli will respond directly to each person selected and will provide additional information. An outstanding learning atmosphere, as well as accommodations, meals, etc., are provided free of charge by the FBI Academy. Security education is receiving increasing recognition as a vital aspect of any effective security program. I am sure that participation in this effort will be highly rewarding.
